

CONVENTION FACILITIES

WEST HALL

The Winnemucca Convention Center is a state-of-the-art facility that can accommodate large and small groups comfortably.

The West Hall offers versatility and flexibility with more than 8,600 square feet of exhibit space which can be configured to your specifications by fully operable, four-inch insulated walls.

Hold your meetings in seven separate rooms or one large area. No matter what configuration you desire, each room has its own independent, integrated lighting and sound system, as well as room temperature control.
